

Report title: Applications crashing or hanging

Description: The report is based on the events in the application log with sources "Application Error", "Application Hang" and "DrWatson". The report displays all the applications which crashed or hanged, together with the associated information.

Generated on: 13-Sep-2006 16:34

Generated by: Calin

Date filter: 9/7/2006 12:00:00AM to 9/13/2006 11:59:59PM

Event logs: Application

Other filters: event ID= 1000 from Application log with source 'Application Error'
and event ID= 1002 from Application log with source 'Application Hang'
and event ID= 4097 from Application log with source 'DrWatson'
