

**Report title:** Failed logons report

**Description:** The report is based on the events ranging from 529 to 535. It also lists the reason for the logon failure. In case the logon failure is due to unknown user name or password, investigate multiple logon failures that are below the account lockout threshold. In case the logon failure is due to the fact that the account is disabled, it can signal attempted abuse by former internal users. In case the logon failure is due to the fact that the account is expired, it can signal attempted abuse by contractors or temporary internal users.
